Title: Notice inviting applications for new awards for fiscal year FY 1995 academic excellence awards

Abstract: The Department needs and uses this information to make grants. The respondents are State and local educational agencies, institutions of higher education, and nonprofit organizations. The respondents are required to provide this information in applying for grants.

Additional Information: The Department requests a ninety-day emergency approval of the application package to enable grants to be awarded with available FY 1995 funds before the end of the fiscal year. The lateness of this request is due to the fact that a proposed rescission of FY 1995 funds that would have eliminated funds for new grants under the Academic Excellence Awards program was not modified by Congress until late May. OMB approval of the application package is needed by June 23 to enable the Department to publish the notice containing the application in the **Federal Register** by June 30. The deadline date for transmittal of applications must be no later than July 31 to enable the Department to evaluate them and make grant awards by the end of the fiscal year.
